

Media Resource Expo

Hello Media Resource Expo Community,

I am taking this opportunity to wish every one of you a wonderful 2020, filled with happiness, health, prosperity and joy. The beginning of a new year is a great time to reflect back and plan ahead. In reflecting back I'm blessed with the many wonderful people I've worked with over the years in all things Media Resource Expo. The exhibitors, attendees, trade show services, hotel staffs and show staff have all made the experiences over the years so rewarding.

In looking ahead I see changes I've been looking forward to, especially time off! *I've decided to retire my role as MRE producer* and take the time to visit family and friends, travel, finally get to the multitude of projects around the house, and maybe even read a book or two. This wasn't an easy decision but it was the time to finally do it. I'll miss our annual MRE get together, and hope that perhaps someone reading this note might have an interest to pick it up and continue the MRE tradition. A tradition of wonderful relationships we have fostered over so many years.

Wishing you all the very best!
